

**Hammond Taylor** a migration law firm

# Our partners

We are a full service immigration law firm with strong partnerships to support our clients.

We appreciate and nurture our business partnerships, which allow us to provide our clients with a range of complementary services to support their time to Australia.

## Bupa

Hammond Taylor has partnered with Bupa Australia since 2015 to assist clients to obtain Overseas Visitor and Student Health Covers.

Bupa Australia and New Zealand are part of the Bupa Group, a leading international healthcare organisation that cares for more than 32 million people in 190 countries. Bupa's global presence has allowed Bupa in Australia and New Zealand to draw their international expertise and experience to provide people with better healthcare services, support and advice.
