

Hammond Taylor a migration law firm

Our partners

We are a full service immigration law firm with strong partnerships to support our clients.

We appreciate and nurture our business partnerships, which allow us to provide our clients with a range of complementary services to support their time to Australia.

Iman

Hammond Taylor has partnered with IMAN since 2015 to assist clients with their Australian health insurance.

IMAN is a trusted Australian health insurance provider with more than 30 years experience in providing health cover to overseas workers. All IMAN Australian Health Plans are compliant with the Department of Immigration requirements for the 457 Visa application. A letter to accompany your visa application will be provided upon joining.
